

**Wing Chun Kung Fu Council Summer Camp held at N 38° 25.145' W 112°29.68'**

*The dirt road portion of the way is VERY car-accessible. You do NOT need high clearance, or a 4x4 vehicle.*

- Drive on I-15 (northbound from St. George or southbound from Salt Lake City) toward Beaver, UT.
- 8 miles north of Beaver, UT, take exit 120 (the sign will say Manderfield).
- Take the road that goes East, South-East. This is a paved road (Old Highway 91) approximately 1 1/2-2 miles.
- When you see a cattle-guard and a yellow sign of a tractor, do NOT go over the cattle guard. Instead, turn left and proceed on the dirt road in a North North-East direction (it is a big, dirt school bus turn-around) it will almost be a full 180 from the direction in which you were coming..
- Do NOT take any roads that branch off.
- When you reach a fork, take Indian Creek Road (always follow the WCKFC paper plate roadsigns).
- Continue on the road approximately 10.5 miles from the fork (you will see a huge meadow at about the 10th mile, continue a little farther).
- See you there!
